The Jobs for Life class offers healing, hope and purpose.

Our Jobs for Life classes, hosted by churches and organizations all over the world, help men and women just like you develop character, become connected to a community of support, and help them obtain far more than just a job. When you participate in a Jobs for Life class you will experience a life filled with confidence, self-control, coaching, learning, and faith.

Along with providing dignity, value and purpose, we believe that work also verifies our identity, creates community, and renews cities. Made in the image of God, we are created to work. When we work we participate as co-creators with God using our creativity and giftedness to care for His creation, allowing it to flourish.

“ I prayed for a window, and I got a door called Jobs for Life. I just needed a chance. And Jobs for Life got me that chance. It taught me that I was valuable... and gave me the confidence I needed to overcome obstacles that seemed like mountains to me. ”  
– JfL Graduate in Huntsville, AL

“ For a year and a half, I didn't work, and it got to the point where I didn't think I could work ever again. Jobs for Life helped me get out of my shell—it allowed me to open up and be myself around people. ”  
– JfL Graduate in Branson, MO
