How to Submit

Most providers can file directly. If yours does not, follow these instructions.

To expedite a new mail-order prescription from your healthcare provider, download the mail-order fax form and bring it to your provider. Have the provider complete and fax the form to Express Scripts at **1-800-837-0959**.

To mail in a prescription your healthcare provider has already written, download the Medco Pharmacy Mail-Order form and mail the prescription(s) along with the completed form to the address provided on the mail-order form (*link above*).

The Direct Claim Form may be used for reimbursement only when full price has been paid for a prescription drug order at a pharmacy, when the pharmacy does not accept the prescription drug ID card or if a healthcare ID card has not yet been received.
