THE NEED Far too many of our neighbors lack access to healthy food.

A lack of nutritious meals can have long lasting effects on the physical, mental, and social well-being of all members of a family.

**Food insecurity in the
Cape Fear region is 19%—
including 15% of children
and 8% of seniors**

Together we can deliver needed nutritional resources to families in underserved urban, rural, and remote communities.

Catholic Charities will accomplish this goal through this \$6 million campaign.
